OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 10145 / 526 Enc 5

Bangalore 10th February 1914

4632

From Rao Bahadur
M SHAMA RAO ESQ MA
Inspector General of Education in Mysore

To
C S Balasundaram Iyer Esq , B A
Secretary to the Government of
His Highness the Maharaja of Mysore
Departments of Education and Agriculture
Bangalore

SIR

With reference to your letter No 6219/Edn 167-13-4 dated 17th December 1913 stating that Government have authorised the payment of Rs 1700/- to the Madras University as compensation for loss of income in connection with the Mysore Secondary School Leaving Certificate Scheme I have the honour to inform you that the Registrar in his letter No 264 of the 19th January 1914 while accepting the principle of calculation was of opinion that the annual average of 75 taken for arriving at the amount of rebate was too high and that it either might be reduced to 35 or that the rebate might be claimed on the actual number of candidates appearing every year for the Madras Matriculation Examination The Registrar however said that from the gross claim of the University viz Rs 2115-3-0 rebate might be claimed for the pupils appearing from the Civil and Military Station

Bangalore

Bangalore In reply the Registrar was informed that (1) rebate would be claimed on the actual number of candidates appearing for the Matriculation Examination instead of on an average number to be fixed and (2) that the figures for the Civil and Military Station should be excluded altogether from the calculation as that station is outside the Jurisdiction of the Mysore Government A reply has been received from the Registrar finally accepting my proposals and claiming a sum of Rs 1707-4-10 as compensation for the School Final Examination of 1913

2 I herewith submit a bill for the amount and request that Government may be pleased to sanction and forward it to the Comptroller for audit

3 Copies of correspondence on the subject between the Registrar and this office are enclosed for favour of perusal

4 A statement of the actual charges incurred for the School Final Examination of 1913 is also submitted for reference From this it may be seen that the excess charge over and above the budget provision of Rs 1,500/- may be met from savings in the total amount of Rs 6 016 sanctioned for the Examination as a whole

I have the honour to be,
Sir,
Your most obedient servant

for Shama Rao.

Ref Correspondence ending with your letter No 7757/1106 dated 20th December 1913

I have the honour to inform you that the Syndicate has accepted your statement of the principle to be adopted in calculating the amount of the compensation due to the University from the Govern ment of Mysore on account of the introduction of the Secondary Schoo Leaving Certificate Scheme in that State Rebates from the gross claim of the University will therefore be admitted on account of (1) pupils from the Civil and Military Station Bangalore and (2) candidates that might appear from the Mysore State High Schools for the University Matriculation Examination

With reference to the latter rebate I have the honour to inquire how you have arrived at the number 103 candidates appearing from Mysore for the last Matriculation Examination According to the University Registers the number appearing was 73 In this connection I have to suggest that the annual average of 75 such candidates proposed by you is too high This year the number registered for the Examination in March next is 44 only probably next year there will be a further diminution If it is considered desirable to fix an average rather than to make a rebate varying each year according to the actual number of candidates appearing fo the Matriculation Examination I suggest that a more correct figure would be 35 though I do not anticipate even this number of Mysore candidates for 1915 or the following years

Letter No 9142/1294 dated 23rd January 1914 from the Inspector General of Education in Mysore to the Registrar University of Madras

Enc 16
Edn. 167-13-5

With reference to your letter no 264 dated the 19th instant on the question of compensation payable to the University on account of the introduction of the School Leaving Certificate Scheme in the State I have the honour to inform you that the gross gross claim of the University viz Rs 2115-3-0 is evidently based on the average number (522) of candidates that appeared in 1904-09 from the Mysore State as well as the Civil and Military Station Bangalore But as in fact the Civil and Military Station is not under the Jurisdiction of the Mysore State it would not be fair to include the number of candidates from that Station and allow a rebate but to calculate the amount only on the State average for the above period viz 454 The gross claim of the University will thus amount to Rs 1839-10-4 at Rs 4-0-10 for each candidate

2 As you consider that the annual average of 75 taken for fixing the rebate claimed on behalf of the candidates that might appear for the Matriculation Examination is too high and are not evidently in favour of the proposal I beg to State that as suggested by you the rebate may vary each year according to the actual number of candidates that may appear for the Matriculation Examination As regards the number 103 given in my letter for the last Matriculation Examination I regret to say that it was a clerical error the total number being 77 as noted in the margin

With reference to correspondence ending with your letter No 9142/1294 dated 23rd January 1914 I have the honour to inform you that your proposals for compensating the University have been finally accepted by the Syndicate and that the correspondence has been recorded

I have therefore now to request payment by you to the University of the sum of Rs 1707-4-10 consisting of he agreed gross claim of Rs 1839-10-4 less a rebate of Rs 132-5-6 for 77 candidates who appeared from the State for the Matriculation Examination of 1913 (Rs 1-11-6 x 77 Rs 132-5-6)
